DESIRABLE GIFTS

We would again call to your attention our line of Toilet Sets, Brushes, Combs, Mirrors of every description.

FOR GENTLEMEN.

Military Brushes in Cases by themselves or in combination with a clothes brush, exactly the thing for the bachelor's dressing table, or for the benedict. Other varieties for gentlemen who prefer the ordinary shape. In Ebony with solid backs from Three Dollars. Also with sterling silver metal and crest plates.

FOR THE LADIES.

Toilet sets of plentiful variety and artistic workmanship. Mirrors to complete a set or in combination with Combs and Brushes. In Ebony with or without sterling silver mounts. In the new metal Cosmopolitan, Light, Durable and impossible to tarnish. These sets are most satisfactory. The metal is either oxidized to resemble gun metal, while elaborate designs are engraved upon the back showing the bright metal in relief, or the metal is frosted, with artistic repousse or engraved designs to enhance their beauty.

We have, through timely and judicious buying, been enabled to offer these goods at from 20 to 30 per cent below usual prices and yet retain a fair margin of profit. The goods are in no sense cheap and would grace any toilet table. Prices from \$3 the set.

UTILITY IS AN ESSENTIAL.

To the up-to-date Christmas gift. The time of giving expensive and useless trifles is past. Here is a suggestion that has probably not occurred to you.

WHY NOT SPARKLETS?

Our supply of these outfits consists of many varieties made in designs to suit the garnish of the most elaborate dinner table. The gift would be thoroughly appreciated and the donor remembered every time the compressed carbonic acid in the little capsules turned a glass of water, milk, lemonade from a flat drink into a nectar fit for the gods, a sparkling, bubbling liquid charged with inspiration and health. An Ideal Draught for the Tropics—Healthful and Invigorating.

We have a dual reason in urging these and a selfish one. Buy for your friend and you will infallibly buy one later for yourself. They are not expensive—From Two and a Half Dollars Up.

New York, Dec. 26.—It was stated on good authority today that Andrew Carnegie has offered a fund to Columbia University. The exact amount of money offered to the university and the manner in which it will be used is not known. It is certain, however, that the fund is in seven figures or more. Nicholas Murray Butler, who is believed will soon be elected to the presidency of Columbia University, is generally accredited with having brought about the offer from Mr. Carnegie. The gift to Columbia, when it becomes a fact, will be the first which Carnegie has made to any American university.

Washington, Dec. 26.—The Navy Department has taken the initial steps toward the adoption of wireless telegraphy as a means of signaling between warships at sea. To this end Admiral Bradford of the Bureau of Equipment has asked that the armored cruisers of the Pennsylvania class have their masts and rigging so arranged that the wireless system can be introduced. This will necessitate the lengthening of the masts of the ships and the insulation of the metal rigging by the use of hemp covering for halyards.
